Getting ready for the big day, January 10, 1985, when the mass and novena of the Santo Niño de Cebu Festival started.

Really, you're never too old to learn. This is not so much an admission of that supreme female secret, age, as it is of the sense of wonder that filled me and all of my companions during the last pilgrimage — one which took us literally around the world in thirty days. From the tombs of great and wise men to children's palaces (a.k.a. monumental playgrounds), from pagan temples to the Holy Father's august presence, from scorching deserts to the lush ever-green countrysides of the Far East — these made me a child again, full of wonder concerning the seemingly endless beauty that God has given to the world. How wonderful are your works, almighty God! How intelligent the Man whom you created in your own image and likeness!

Still another reason to thank God: the good health that all of the pilgrims enjoyed throughout the trip. We were really and truly the Sunshine Group, full of laughter and camaraderie. As I told the group before we went our separate ways, our pilgrimage was "a phenomenon, something that opened our eyes once again, causing us to treasure its memory for the rest of our days. It's now a part of each one of us."

Sally

The part played by the Santo Niño in my life is a long story in itself. In the pages that follow are the details of the process, how the Santo Niño became a public fixture in San Francisco — revered by both transplanted Filipino and native American alike. It is my hope that in the years to come, the devotion will not only stay, but grow ever stronger. Mabuhí, Pit Señor!

received in the past is something worth seeing and watching. The Marble Chapel in which the venerated and centuries-old image of Santo Niño is at present encased in gilded and bulletproof glass is becoming the center of attraction and pilgrimage of hundreds and hundreds of devotees and tourists. Needless to say that the devotion to "Señor Santo Niño" de Cebu is taking new outgrowth.

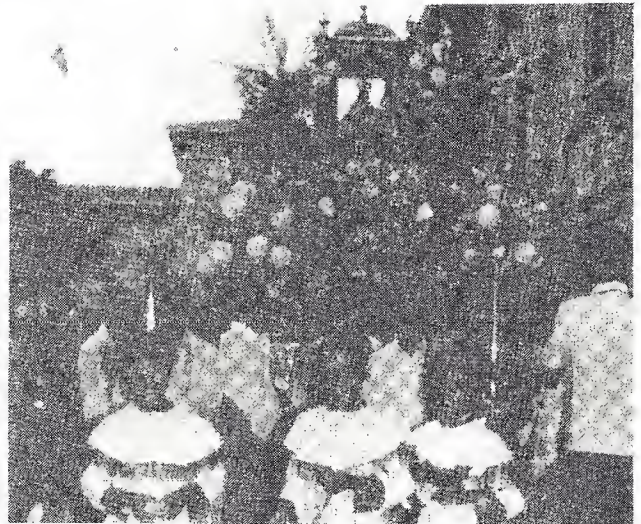

Cognizant of the enthusiasm and devotion of Mrs. Sally B. Famarin of San Francisco, U.S.A., for the Santo Niño of Cebu, the Augustinian Fathers of the Basilica del Santo Niño in the city of Cebu have unanimously appointed her HONORARY HERMANA MAYOR for the year 1977.

Let me avail of this opportunity to congratulate the Cebu Association of California, Inc., on the occasion of the forthcoming Fiesta of Santo Niño. May the shining glory of the Holy Child lift your hearts with love, peace and joy throughout the year 1977.

Dear Mr. President:

I would like to call your attention to a very special event which will take place in San Francisco on January 21, 1978, the 10th Annual Fiesta of the Santo Nino de Cebu.

Citizens of Filipino descent will share with all San Franciscans, and, indeed, all Californians, this special part of their culture and heritage. The Cebu Association of California has been the sponsor of this event over the years.

Any recognition which you might give this special event would be deeply appreciated by all who participate in the Fiesta. The Honorable Sally B. Famarin; 2207 28th Avenue; San Francisco, California, has taken the lead in coordinating this event and I am sure that an appropriate letter from you would be a fitting recognition of the tireless efforts of members of San Francisco's American-Filipino community who work to make Fiesta of the Santo Nino de Cebu a success.

Kindest personal regards,

Sincerely,

PHILLIP BURTON  
Member of Congress

# Greetings

On behalf of the people of the City and County of San Francisco, it gives me great pleasure to extend greetings to the Ninth Annual Fiesta of Santo Nino de Cebu.

The Cebu Association of California, and its President Emeritus, Sally B. Famarin, are to be congratulated for their successful efforts to foster a spirit of respect and understanding between the peoples of the Philippine Islands and the United States. San Franciscans are especially fortunate in being able to participate in the beautiful celebration honoring the Patron Saint of Cebu and to observe the traditional crowning of the Queen of Cebu.

As Mayor of the City and County of San Francisco, I am pleased to extend best wishes to all those involved in the Ninth Annual Fiesta of Santo Nino de Cebu for a festive and memorable occasion and to congratulate the Queen of Cebu on the singular honor she has received.

# Greetings

As Mayor, it is a pleasure to extend greetings and congratulations from the people of the City and County of San Francisco to the people of Mandaue City of the Republic of the Philippines on the occasion of their Annual City Fiesta to be held on May 8, 1978.

I am sure Mandaue City is very proud of the Mandauehanons who now reside in their adopted land, the United States of America, and who are honoring their Homeland, the Republic of the Philippines, as evidenced by the extraordinary and sterling civic contributions of Commissioner Sally Basiga Famarin which have enriched and strengthened the Filipino-American Community of our City. She has coordinated a multitude of projects that have redounded benefits not only to the Filipino Community but to all the citizens of our City. Having fostered the Filipino Fiesta of the Santo Nino de Cebu since 1968, our City is joining Commissioner Famarin in celebrating the First Decade of this event, which has helped to cement the spirit of respect and understanding which exists between our people.

Though circumstances do not permit my being with you, I am proud to extend my congratulations to Honorable Demetrio M. Cortes, Mayor of Mandaue City, for his years of dedicated service. My heartiest best wishes are extended also to those young ladies who will be crowned Queens during this year's Festival.

As an Honorary Cebuano, I am honored to be a part of your celebration, and though I am not personally present, I want you to know that my thoughts and prayers are with you.

## MAY USA KA BATA

(Balak Pahinungod sa Senor)

May usa ka Bata nga mipanaw  
Dili lamang latas sa mga kayutaan kon dili usab  
Latas sa mga katuigan.  
Mibiya sa iyang langitnong puloy-anan  
Aron siya motipon sa mga katawhan.  
Mibiya sa panahon nga dili maisip sa mga tuig ug bulan  
Aron siya mahimong Pilipinhon  
Kay niadtong tungura bata pa usab ang Pilipinas —  
Bata nga nagsalig sa pag-giya ug pag-amoma  
Sa usa ka Bata.

Ug siya nahidagsa sa lapyahang Sugbo-anon,  
Dinala ang balita nga ang Anak ni Bathala  
Nahigugma diay niadtong lungsod nga tabonon —  
Ug maoy hinungdan nga siya misul-ob man usab  
Ug panit nga kolor sa yuta  
Ug nianang paagiha siya mipa-ila  
Nga ang tawo pinalangga gayud ni Bathala  
Bisan unsay iyang dagway,  
Bisan unsay iyang pinulongan,  
Malantip ba ug salabutan kon kulang ba sa kahibawo,  
Kabus kon adunahan,  
Buotan ba o dautan.

Sa dihang mipanaw usab  
Ang mga anak niadtong lungsod nga iyang gimahal  
Minunot siya kanila

Ug nahidagsa pag-usab  
Sa maputi nga lapyahan, apan nagapabilin  
Nga tabonon ang iyang pamanit, ang iyang dagway  
Wala ma-usab,  
Ang katam-is sa iyang pahiyum wala molubad,  
Aron maka-amgo ang mihahal niyang lungsod  
Nga dili unta nila hikalimtan  
Ang ilang sinugdanan,  
Ang ilang gigikanan,  
Ang Bathala nga kanila nagmahal.

Milagroso nga Santo Nino  
Pun-i pa ang katingalahan mong mga buhat  
Diha sa imong paghiusa  
Sa lungsod mong nagkatag-katag.  
Usaha ang ilang mga kasingkasing sama nga ikaw  
Ug ang imong Amahan usa da.  
Kay kanang diyutay'ng kalibutan nga imong gikuptan  
Nagpaila nga dako gayud ikaw  
Bisan Batang gamay sa among panan-aw  
Moila unta kami kanimo,  
Moyukbo kanimo,  
Magmahal kanimo  
Sa katuigan nga tanan.

— Sally
